

STRATEGIC BASIC RESEARCH

SBO CALL OPEN

WHAT

The Strategic Basic Research (SBO) program - sponsored by FWO - concerns innovative research that offers a prospect for economic (SBO-E) or social (SBO-M) applications (a new generation of products, processes and / or services).

DURATION

4 years

FUNDING

- Applicable for funding: personnel, operational costs, equipment, subcontracting
- Funding rate: 100% max. €500.000 / year / legal entity (corresponding to 425.000€ excl. overhead/year/legal entity)
- Average budget / project: €2 mio

TOTAL BUDGET IN THIS CALL: €37.5 mio

START EARLY ENOUGH TO BUILD UP YOUR CONSORTIUM AND ADVISORY COMMITTEE!

A meaningful interaction between the advisory committee, consisting of the different players in the value chain, and the research consortium is a key element in the SBO-application.
